

## **Aluminium Fabricator**

- **Earn while you learn**
- **Opportunity to gain WANZ joinery qualification**
- **Auckland, Christchurch, Rotorua and Wellington locations**

Do you have technical hands on abilities with some work experience or training in fabrication with an interest to develop a career in the fabrication of windows and doors? We may have the career opportunity for you.

Bradnam's Windows & Doors has 5 established modern factories through out New Zealand and successful applicants have the opportunity to be part of Bradnam's developed training program for the manufacturing of our unique products which are different to the normal industry standards.

You will be excited by what we have to offer, if you can display a track record of being a "can do, will do" type of individual with great work ethic then we are keen to hear from you.

We offer competitive remuneration package, health benefits and ongoing support and training.

Applicants must have the right to work and live in New Zealand

Apply in writing only to:

**HR Administrator  
National Aluminium Ltd  
P O Box 204123  
Highbrook  
Auckland**
